Shelly Bigelow worked very hard with Wexford County to lease this property for \$1.00 a year for all of Manton to use.

The Township Hall to see the new covered ramp Ronda Jonas worked hard at getting the vender for the new covered ramp with lighting on the ramp . We have the new election drop box, We are making a few changes here and there. Al Mohler has been working on In the plans are to get the floor leveled and some foundation work done this spring.

Cemetery bell from the old GWT Church was refinished and is looking very nice too she hauled it for us and Wes Westbrook helped Shelly to get out the bell and to set the bell. Shelly also worked very hard communicating with the vender to get this done.

Cleaning up the cemetery we had many trees cut down and hauled away last summer it really open it all up.
