Public Comment:

Minutes: Minutes for July 7, 2026 regular meeting were presented. Motion made by M Baker supported by H Swinehart to accept the minutes as presented. Motion passed unanimously.

Bills: Bills were presented to be paid. A question was brought up as it looked like all board members were paid twice. In reality they were only paid once, as one set of checks had been voided.

N Mohler will need a check in the amount of \$155.90 to Fischer Propane. This will lock in this years propane price. Motion made by N Mohler supported by H Swinehart to accept the bills with Fischer Propane included. Motion passed unanimously.

Old Business: S Bigelow said she had been in contact with EAGLE and the Amish are going to be putting in 3 culverts.

S Bigelow as been in contact with residents from River Road about FEMA money for the flooding that took place this spring. She is encouraging all residents to apply. Jonathon Hallet sent an e-mail to the board members explaining why he believes he is still sexton for Greenwood Township and wanting the back pay he feels he is owed. After much discussion, Motion made by N Mohler supported by H Swinehart that S Bigelow compose a letter advising Jonathan Hallett that Greenwood Township no longer needs his services and to pay the \$300.00 from the June invoice. Motion passed unanimously.

New Business: S Bigelow explained how hot the office gets in the summer and cold in the winter. It was suggested that we get a price quote on a mini split to put in the hall so the office temperature can be regulated. N Mohler will see about getting a quote for the mini split.

N Mohler is going to look into more election training.

Fire Department: Renewal mileage for the fire department passed at the August primary.

Public Comment: It was brought up that the letter to Jonathan should be short and to the point.

Questions were brought up about the fire pit.

Motion made by H Swinehart to adjourn the meeting at 7:40.

Respectfully submitted,

Nancy Mohler
Greenwood Township Clerk
